 SHEEP'S MILK + COW'S MILK

FLAGSHEEP CLOTHBOUND

Traditionally clothbound and open-air aged for 15+ months, Flagsheep folds sheep's and cow's milk together to create a dense, fruity and earthy cheese with butterscotch sweetness.

SERVING SUGGESTIONS: Drizzle with sweet honey and serve with crisp, sliced pears and apples on a dessert plate, serve with rustic bread and salty olives, or enjoy with a fruity rosé.

AFFINAGE: This firm, natural rind, pasteurized mixed-milk cheese is first rubbed with butter and then aged at 47°F and 85% humidity. Each truckle is carefully attended to, consistently brushed and hand-turned throughout its aging. This method results in a 14–16% moisture loss during aging, allowing for the slightly lower moisture and higher salt content that creates Flagsheep's layered flavor and lovely dense bite.
