 COW'S MILK

FLAGSHIP RESERVE CLOTHBOUND

Traditionally clothbound and open-air aged for 13+ months, the flavors of Flagship concentrate into a dense texture with butterscotch notes that melt smooth in your mouth.

SERVING SUGGESTIONS: Pair with berry compote or a crisp apple, bake in chunks into hot breads, or shred into a roasted vegetable frittata. Enjoy with a glass of Syrah or pint of Brown Ale.

AFFINAGE: This special edition of our signature Flagship is a firm, natural rind, pasteurized cow's milk cheese that is first rubbed with butter and then aged at 47°F and 85% humidity. Each truckle is carefully attended to, consistently brushed and hand-turned throughout its aging. This method results in a 14–16% moisture loss during aging, allowing for a slightly lower moisture and higher salt content, which concentrates the already-rich flavor and produces a long, creamy finish.

TRUSTED DELICIOUSNESS SINCE 2003
