 COW'S MILK

MARCO POLO RESERVE CLOTHBOUND

Crafted with green and black cracked peppercorns, then cloth-bound and open-air aged for 8+ months, this special edition's tangy, nutty bite complements the natural rind's dry texture.

SERVING SUGGESTIONS: Pair with honeycomb on a thin cracker, or with cold, sweet apples. For an additional layer of flavor, thinly shave onto a pasta dish, liberally chunk over a caesar salad, or shred atop a salad of apples and candied walnuts.

AFFINAGE: This firm, natural rind, pasteurized cow's milk cheese is first rubbed with butter and then aged at 47°F and 85% humidity. Each truckle is carefully attended to, consistently brushed and hand-turned throughout its aging. This traditional method results in a 14–16% moisture loss during aging, allowing for a slightly lower moisture and higher salt content, creating a rich taste and texture with a clean, creamy finish.
